Blue Gardens Javea is an exclusive new-build residential development located in one of the most privileged settings of the Costa Blanca. Designed for those who value quality of life, tranquillity, and a genuine connection with nature while still being just minutes from Javea's beaches, coves, hiking routes, and all essential services. From the spacious terraces, residents enjoy two unique landscapes: To the East: the deep blue Mediterranean and the refreshing sea breeze that arrives from Javea's iconic coves. To the West: the impressive Montgó Mountain, offering unforgettable sunsets and a natural backdrop of exceptional beauty. A truly privileged location that blends coastal relaxation with the vibrancy of Javea and the serenity of...(Ask for More Details!)
